What is Brophy?

Brophy is an inter-district team's event held at the AIS in Canberra. Events are 50m freestyle, backstroke, breaststroke and butterfly for both girls and boys.

Each team can have up to two competitors in an event.

How are teams selected?

Each district will have their own method of selection however there are some rules that apply to who can compete and what they can swim.

Swimmers who are members of elite squads such as the AIS or National or State Squads cannot be included in a team.

Swimmers who have qualified to compete in either a 50m, 100m, or 200m Australian Age or Australian Open Championship event, at the conclusion of the current summer season NSW State Age 13-18 Years championships (or equivalent) over distances of 50m, 100, or 200m may not compete in either an individual or team relay event in that particular stroke.
